

Anywhere Mobile Entertainment to Go

Amego is the revolutionary direct-to-mobile multiuser, multichannel, and multimedia device.

www.Amego.TV

Amego's Instructions:

Connect the Amego Box with the Power and Antenna:

- 1) Connect the Amego Box to your power source by either (A) USB DC 5V Input (Car Plug - provided) or (B) DC 12V Input (Wall Plug - Sold Separately) and the provided grey Antenna Box. Make sure the Antenna is pointed outside or on the roof of your car (Antenna connects magnetically automatically on the top of the roof) with the line of sight.

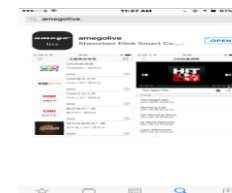

OR (B)

(1) Antenna Input, (2) USB (Car Plug), (3) 12V (Wall Plug) (1) USB DC 5V input (Car Plug), (2) Amego Box, (3) Antenna (1) DC 12V Input (Wall Plug), (2) Amego Box, (3) Antenna

Download the free Amego App on Android or Apple devices, select WIFI and channels:

- 2) Download the free Amego App on Android / Google Play or on Apple Store by selecting for: amegolive.

- 3) Select your WIFI connection to the Amego_XXXX WLAN session (XXXX ID number on the bottom of the Amego Box) on your smart device. Click on the Amego App to receive a suite of TV and radio entertainment on your smartphones, tablets, and smart devices.
